A picture of the couple may be printed with the announcement. Group shots of the wedding party will be cropped to show only the bride & groom. Since the staff will copy the picture electronically, it can be either black & white or colored and may be a different size than will be used in the newspaper. Although the newspaper staff tries to see that all pictures are returned unharmed, they cannot accept responsibility for the loss or accidental damage of a photograph. If the picture is to be returned by mail, a pre-addressed, stamped envelope must accompany the picture.
