Christmas!

It’s beginning to look a lot like Christmas with pageants, parties, concerts, and decorations popping up all over. Shown at the top are the ladies of Bethlehem tempting a traveler and hoping for a coin the tax collector hasn’t seized at the gate at the two day event held by Ajo Christian Academy and Full Gospel Fellowship. The second annual Star of Wonder Christmas festival was held in the Plaza with live music from The River Community Church Praise & Worship Band, plus dancers, snacks, and warm fires. The students at Ajo Unified School District entertained with sprightly holiday music. Carol Peek joined Bety Allen and Cliff Hunter in admiring decor at Ajo Flower Shop during the annual CofC mixer and open house. A merry group learned how to make decorations at a Second Saturday workshop. Angel Wish Tree volunteers Kathi Sikora, Karen Galliazzo, and Edel Bailey wrapped gifts — gifts will be delivered to needy children before Christmas. Dorothy Havins died December 11, 2013, in Arizona City.

She was born on Sept. 23, 1919, in Eagle Rock, California, to Charles & Ethel R. Davis. She came to Arizona as a child, living first in the Bisbee area before moving with her family to Ajo about the age of eight. She remained in Ajo until relocating to Arizona City with her daughter Karin Havins.

She married her childhood friend and high school sweetheart, Harold M. “Hank” Havins. They had four children and remained together until his death on December 12, 1986. She was an avid reader and loved the Diamondbacks, never missing a game on TV and keeping notebooks of stats on the games, according to her family.

“The loved learning, continuing her education after her children were grown. She was a loving person taking in anyone who needed help and thinking of the neighbor kids as part of the family always. If she loved you, you were in her heart and part of her family forever,” they said.

Dorothy was survived by her children & their spouses, George & Peggy Havins of Ajo, Karin “Sally” Williams of Arizona City, Connie Ender of Gilbert, and Jim & Peg Havins of Glendale; and by her 8 grandchildren, 13 great-grandchildren, and 17 great-great-grandchildren with one on the way.

Services are planned for a later date in Ajo with internment beside her husband.

Obituaries are still free

Though more and more community newspapers have begun charging for obituaries, the Ajo Copper News continues to print them at no charge. Obituaries of former residents are welcome.

“We do have a style and format we follow,” said editor Gabrielle David, “and usually we have to edit what families have written, but we regard obituaries as important community news. We have no plans to start charging for them.”

The newspaper has forms people may fill out to make sure nothing important is forgotten. Request a form by stopping by the office at 10 Pajaro, mailing a letter to Ajo Copper News, P.O. Box 39, Ajo, AZ 85321; calling 520-387-7688; or sending an e-mail to cu-news@cuneews.info with Obituary in the subject line.

Clinic receives accreditation

Desert Senita Community Health Center has achieved accreditation by the Accreditation Association for Ambulatory Health Care (AAAHC). Accreditation distinguishes Desert Senita from many other outpatient facilities, certifying that it provides the highest quality of care to its patients as determined by an independent, external process of evaluation, explained Fran Driver, chief executive officer of DSCHC.

“We believe our patients deserve the best,” said Driver. “When you see our certificate of accreditation, you will know that AAAHC, an independent, not-for-profit organization, has closely examined our facility and procedures. It means we as an organization care enough about our patients to strive for the highest level of care possible.”

Status as an accredited organization means DSCHC has met nationally recognized standards for the provision of quality health care set by AAAHC. More than 5000 ambulatory health care organizations across the United States are accredited by AAAHC. Not all ambulatory health care organizations seek accreditation; not all that undergo the rigorous on-site survey process are granted accreditation, Driver noted.

The organization, founded in 1979, is the leader in national ambulatory health care accreditation. AAAHC accredits a variety of organizations including ambulatory surgery centers, office-based surgery centers, endoscopy centers, student health centers, military health care clinics, and large medical and dental practices. AAAHC serves as an advocate for the provision of high-quality health care through the development of nationally recognized standards and through its survey and accreditation programs. AAAHC accreditation is recognized as a symbol of quality by third-party payers, medical organizations, liability insurance companies, state and federal agencies and the public.

Ambulatory health care organizations seeking accreditation by AAAHC undergo an extensive self-assessment and on-site survey by AAAHC expert surveyors—physicians, nurses, and administrators who are actively involved in ambulatory health care, said Driver. The survey is consultative and educational, presenting best practices to help an organization improve its care and services.

“Going through the process challenged us to find better ways to serve our patients, and it is a constant reminder that our responsibility is to strive to continuously improve the quality of care we provide,” she added.

The Christmas elves have been busy around the golf course restaurant this week, decorating and getting things ready for the holiday season. We have a busy schedule of lunches, parties and events booked for the next couple of weeks, culminating in our buffet dinner on Christmas Day. This is becoming a popular tradition in Ajo so if you haven’t reserved your table yet don’t wait too long.

The weather was a bit cool on Monday and Tuesday but it didn’t slow our golf games much. Monday evening’s Skins game had Tony McGarry winning skins on holes #12 and #18. Tuesday morning Men’s Club event was won by Johnny McCormick with Greg Burton coming in second. The Chip-In pot was split by Harley Murray and Burton as they both chipped in balls from off the green.

The Couples game this week had Frank Milene and Carol Peek in first place, followed by George and Norma Steckel. Paul and Trudy Barnhart came in third. The Pro-Am game on Friday was won by the team of Burton, Linda McGarry, Peek, George Steckel and Joe Gonzalez. Second went to captain Reggie Scott and his team of Mike Taylor, Shawn Doremus, Roy Johnson and Murray.

Really is pretty around the golf course this time of year so come enjoy your community golf course and have great holidays!

Happy Birthday
Deanna Neff Krehbiel!

**RAIDER OF THE WEEK**

Felix Corona leads the basketball team in scoring. Coach Brian English said, “Felix always gives 100% and more.” Corona plays football, basketball, and track. Asked for his favorite he said, “I’m a bit better in football, but I like basketball a bit more. Sometimes one person can change the game.” He plays sports because, as he said, laughing, “It keeps me out of trouble and in shape, but really I want to be involved in sports after high school.” Nothing bothers him worse than lack of dedication in his teammates.

Corona wants to play with perhaps a community college and go on for a degree so he can be a PE coach and teacher. Writing is his favorite subject, so he might major in English. He follows the Lakers and considers Kobe Bryant a great player, “but not such a great person.” He’s impressed with Kyrie Irving of Cleveland. “Sometimes when I’m in the groove I can imagine shooting like him, and it works.”

What advice would he give kids coming into high school? “Study. Keep your grades up. Kids coming into high school? ‘Study. Keep your grades up. Sometimes when I’m in the groove I can imagine shooting like him, and it works.’

Corona’s parents are Pam Montano and Miguel Martinez.

**Red Raiders split two games**

By Robert Sorrels.

The Red Raider boys’ basketball team lost a tough game to Baboquivari here on Monday but bounced back to beat Arizona School for the Deaf and Blind on Wednesday.

**Baboquivari 60, Ajo 46**

Babo typically has good teams, and this year’s is big, quick, and handles the ball well. Ajo played hard and the game was closer than the score suggests. In the 1st, the Raiders stayed close with balanced scoring and a pair of 3-pointers by Jacob Lewis and Jesus Mariscal, but trailed 18-11. Both teams were off in the 2nd as the tightly officiated game began to disrupt the flow of play. Babo led 27-18 at the half.

Ajo came out strong in the 3rd as Felix Corona and David Sanford both shot well, but the Raiders couldn’t get closer than five behind. The Warriors’ excellent forward Baptisto had six of his game-high 21 points to keep the lead at 47-37 after three. The 4th quarter was frustrating for both teams as virtually every possession ended in a call against the defense. Up by 12 with three minutes left, Babo went into a four-corner stall showing superb passing as Ajo fought for the ball. The Raiders managed three steals for baskets, but the Warriors — exploiting the spread out Ajo defense — got the lead back with easy penetrations.

Finally, Coach Brian English went to deliberate fouls. Babo put on a free shooting clinic, going 7 of 11, while Ajo hurried on offense, missing repeatedly from the arc.

Corona led with 15 and Lewis had 10. Josiah added 8 and Mariscal ended with 7. Ajo went 50% from the line which was an improvement, but pathetic compared to Babo’s 16 of 23.

**Ajo 58, ASDB 27**

In Tucson, the Raiders played one of their better games of the season. Using tight man-to-man defense, Ajo led 16-10 after the 1st, and exploded to 35-17 at halftime. Corona and Lewis put heavy pressure on ASDB’s high scoring center, limiting him to 10 for the game.

**Things cooled off in the 2nd half**, but the Raider lead continued to widen as Nez scored 10 on his way to the game-high 17. In the 4th, English played his reserves but still outscored ASDB. In addition to Nez’s 17 points, Lewis had 13, and Corona ended with 11. Eight Raiders scored in a rounded offense.

“Probably the best half we’ve played all year,” English said. “Some good defense. The downside is we were only 10-28 from the line.”

Perhaps each Ajo player should try shooting 100 free throws a day for a couple of weeks. Dramatic improvement would follow.

Lady Raiders had tough week

By Robert Sorrels

Not only did the Lady Raiders basketball team lose games to Baboquivari and Arizona School for the Deaf and Blind, they also had two more starters injured.

Baboquivari 47, Ajo 24

On a cold Monday night, both teams started at a glacial pace. The Warriors led 7-6 at the end of the 1st. Charlee Harper's 3-pointer that dropped after the buzzer was the most exciting thing in the quarter. In the 2nd, Babo warmed up and, led by forward Pachynne Ignacio's 8 points (on her way to the game-high 17), scored 14 to lead 21-16 at the half. Shanoa Noriega and Erika Salcido had Ajo's only points.

The Ladies came out in the 3rd pumped up and played an excellent quarter, outscoring Babo. They showed much improved ball-handling and more importantly drove aggressively to the net. They repeatedly pulled within 5 but couldn't take the lead. Jasmine Macias had a beautiful coast-to-coast layup to fire the team up. Unfortunately, Veronica Salazar was injured in an open court collision and some of the fight went out of the Ajo players as they limped to four points in the last quarter. Meanwhile Babo tore through the Raiders' spotty defense, scoring 17 and won going away. Shanoa Noriega led with 8, followed by Harper with her season-best of 6. Four other Raiders scored.

ASDB 43, Ajo 18

ASDB's guards came out red-hot Wednesday night, pouring in 14 points to open the game. Ajo had 6 led by Mariah Gilmartin's 5, but defense was spotty and the team didn't play with the intensity it had shown in the previous game. The 2nd quarter was slower as the teams played even. Macias had two nice baskets while nearly all of ASDB's points came on foul shots. The Sentinels came out in the 3rd with their guards again thoroughly dominating the Raider defense, outscoring Ajo 12-4. Gilmartin hit a 3 for most of Ajo's offense before going down injured. Chelo Abril had the Raiders' only points in the 4th. Gilmartin led the Lady Raiders with 8 points, while Macias finished with 4.

A grim Coach Brad Harvey said, "That's three injured in three games. There's real pressure on our depth. The rest of the team will need to step up and improve our play."

**Newspaper ink is green**

The Ajo Copper News is printed with green ink – not the color green but the environmentally friendly kind.

Colored ink used to be lead-based, which meant it wasn’t safe for consumption or use in gardening. After the Ajo Copper News started using color for photos and ads, a reader asked if the color ink was still lead-based.

An inquiry was sent to Marc Tropio, technical-services coordinator at Valley Newspapers where this newspaper is printed and he replied, “No worries! We only use inks that are all soy-based and earth-friendly.”

Those readers who want to use the newspaper as mulch or other gardening purposes can do so without concern. And those who like to chew on the pages, well, they have other worries.
